

Public Display of Affection – Policy

General

Purpose of this policy is to ensure a decent and respectful academic and working environment in the college premises. Extreme patience is expected to guarantee a safe and tolerant environment. This policy will empower students, faculty and staff for maximum freedom and pleasant culture of learning and growth at this institution.

Guidelines

1. Physical expression of care and affection, like hand-Shake, pat on shoulder and friendly hugs (same gender) is acceptable in open and serene environment within a social group.
2. Intimate physical expressions of affection (hugging, holding hands, kissing & embracing) are not permitted in this college premises, in college bus or in any outdoor activity like hospital wards & field trips.
3. Two college students from opposite or same gender are Not allowed to sit in classroom before or after the class. Students are Not allowed to sit as couple in college stairs, patio, library, outside the auditorium and in hideouts. Security Cameras are recording all activities.

Compliance

1. Teachers and faculty members are requested to groom the students for positive attitude during college hours.
2. Students and employees of the college involved in an inappropriate expression of affection will be counselled privately and respectfully to modify their behavior.
3. Repeated failure in improving the behavior shall be considered as disciplinary violation and will be dealt with severely according to disciplinary policy of the college. Their parents will also be taken on board before termination of the student from the college.
