HEALTH CARE FACILITY

CMH LAHORE MEDICAL COLLEGE & INSTITUTE OF DENTISTRY

Infirmary

1. A unique, smart well equipped Health Care Facility with the name of **Infirmary** is already established at CMH LMC & IOD to take care the health matters of Students, Faculty and Staff at their own Alma mater for prompt and timely health care consultation and management.
2. A dedicated Family Medical Specialist is appointed as Senior Medical Officer Incharge (SMO I/C) of Infirmary to take care of the ailing students / Faculty members and Staff.
3. A qualified Nursing Assistant is also employed at Infirmary to assist the Senior Medical Officer Incharge (SMO I/C) as well as to cater the need of the sick persons.
4. The sick students / Faculty members and staff may report to the Infirmary for consultation / management during the working hours.

Health Care Facility – For Hostel Students

5. Following is adopted for Hostel Students after the working hours / weekend:-
 - a. Hostel Wardens at Lt Gen Mushtaq Baig Boys and Fatima Jinnah Girls Hotels, respectively are primarily responsible to take care of any sick student residing in the hostels.
 - b. First aid rooms are earmarked at both the hostels where First Aid Boxes with necessary emergency medication is provided for the provision of necessary first aid treatment to the students.
 - c. A Post Graduate (PG) trainee is deputed to attend any sick student in the hostel after working hours / weekends.
 - d. Hostel Wardens may refer / evacuate any seriously sick student to CMH Lahore along with an entitlement certificate for further treatment / management & matter to be reported telephonically to Assistant Director (Administration & Coordination) immediately.
 - e. Hostel Wardens may use the facility of College Ambulance as and when required for the evacuation of any seriously ill student to CMH Lahore.
